What a Month!

April is going to be quite a month! It begins with Spring Break which is soon followed by Holy Week and the celebration of Easter.

During these next few weeks in Chapel, I will be sharing with your children the stories of Palm Sunday, Jesus' sacrifice, and his resurrection. No matter how often I tell these stories they never grow old. I hope you will take the time to tell these stories to your children; to remind them of God's love for us all and the promise of his abundant, everlasting life offered to us in Jesus Christ.

Beginning with Palm Sunday on April 14, there will be special services, programs, and events each day of the week leading up to Easter. Please check-out our website at www.stsimonsumc.com for a schedule. You and your family are welcome to join us in worship and participate in special events with us. It is always great to see you!

Have a fun, safe Spring Break, and a wonderful celebration of Easter! Yes, April is going to be quite a month!

Blessings,

Tom
