November 2019

Thanks for Giving

It is a tradition of St. Simons United Methodist Preschool to collect canned and boxed foods to share with families who may be facing a difficult holiday season. Sparrows Nest has been struggling to keep their shelves full. Let's help Sparrows Nest to stock the shelves especially during this time of year.

Beginning Monday, November 4th, we will have a collection box by the office for canned goods, cereals, peanut butter, etc. Nothing perishable. Please help your child to understand why we do this. Guide them in choosing items to bring and let them place items in the box. We share with each other in our little school community. Now, we can reach out and share with our neighbors.

And speaking of being thankful...

The Staff enjoyed a wonderful spread for our Thankful Thursday in October from the Older Twos class!

The Young Twos will host our November Thankful Thursday on the 21st. I'll send out a reminder closer to the time and post a sign-up sheet outside the classroom door.

Thanksgiving Family Feast

You are cordially invited to our annual Thanksgiving Family Feast and Program on Thursday, November 14th promptly at 11:00 a.m. The Ones through Older Threes Classes will provide a SHORT, yet adorable, program. Upon completion of the program, children will sit with their families for a buffet-style meal of turkey and fixin's. Donation baskets will be available if you would like to contribute.

Each family will receive an RSVP card November 6th so we can plan food accordingly.

The Christmas Store will be available to our children during the week of Monday, December 9th – Wednesday, December 11th. This is the perfect “re-gifting” opportunity!!! We are collecting new or **very** gently used items you have had around the house with which you have NO idea what to do. As you get down the Christmas boxes, I know you will find gifts you have been given and haven’t used all year...that’s what we would be glad to have, **especially Dad and Grandpa kinds of things**. Children will go with their class to select gifts for their family members. We will send home a sheet for you to complete with the names of family members for whom your child will be shopping. For \$2 a gift, your child will have the pleasure of learning about giving to others! For older children, you may want to assign little tasks to help them earn the money for the gifts. We will help them with the wrapping!
