## Necessary Changes

As you have noticed, drop off may be taking a little longer. We are now required to change gloves and disinfect our hands and the thermometer after each car. While Ms. Tanja and I are getting quicker, it is taking just a little longer, especially when the gloves aren't cooperating!

The other change has come in the combining of our Walkers/Ones and Transitional Ones Class. In March, we had enough children to warrant a separate, older one's group. With COVID fear, 4 children did not come as expected. Since we cannot merge classes in the afternoon and trying to manage staff when members are missing for a week or more at a time, it is no longer feasible to separate the classes at this time.

Our plan is to separate them again in January when more of our infants move up and, hopefully, our other families feel comfortable with their children returning to a school setting.

Thank you for your understanding.

Shine with the light of Jesus!

Let me shine with the **light** of Jesus.

Let my **eyes** see the beauty all around.

Never let me turn up my **nose** to others,

And let my **mouth** share the Good News I have found.

Remember to shop **Harris Teeter** store brands and use **3373** when you check out!
