Phase 2 will be shading for the larger playground.

Phase 3 will be replacing the old playground climbers with new pieces.

The Christmas Store

Each year, we give our little ones a chance to Christmas shop for their families. Children will come in small groups, to make their selections from new or gently used donations.

A form, attached to an envelope, will go home on Wednesday, December 1st. You will list the family members for whom the children will shop and include \$2 per person. Please indicate if you need change back, otherwise, we will assume it is a donation. We **do not** have items for children, just adults, so please do not include siblings.

Wednesday, January 26- Progress Reports go home. Conferences upon request.
