## STAR

November 2022

### Thanks for Giving

It is a tradition of St. Simons United Methodist Preschool to collect canned and boxed foods to share with families who may be facing a difficult holiday season. Sparrows Nest has been struggling to keep their shelves full. Let's help Sparrows Nest to stock the shelves especially during this time of year.

Beginning Wednesday, November 2nd, we will have a collection box by the office for canned goods, cereals, peanut butter, etc. Nothing perishable. Please help your child to understand why we do this. Guide them in choosing items to bring and let them place items in the box. We share with each other in our little school community. Now, we can reach out and share with our neighbors.

### November Birthdays:

### And speaking of being thankful...

The Staff enjoyed a wonderful spread for our Thankful Thursday in October from the Giles, Mathews, Danowski, Swafford, and Alonso families! There was so much food and we loved every bit of it on our decorative paper products! Thank you so much!!!

We have a busy, few months ahead of us, so we will resume Thankful Thursdays in January.

**The Christmas Store** will be available to our children during the week of Tuesday, December 6 – Thursday, December 8. This is the perfect “re-gifting” opportunity!!! We are collecting new or **very** gently used items. As you get down the Christmas boxes, I know you will find gifts you haven’t used all year...that’s what we would be glad to have, **especially Dad and Grandpa kinds of things**. Children will go with their class to select gifts for their family members. We will send home a sheet for you to complete with the names of family members for whom your child will be shopping. For \$2 a gift, your child will have the pleasure of learning about giving to others! For older children, you may want to assign little tasks to help them earn the money for the gifts. We will help them with the wrapping!
