Dear Families,

The next step in our leadership transition will occur Wednesday, February 1st. Ms. Tanja will assume the role and responsibilities as our new Director.

Ms. Debbie Townley has accepted the job of Office Administrator. In that capacity, she will divide office tasks, opening and closing responsibilities and in Ms. Tanja's absence, the administrator and point-of-contact for staff and parents.

I will continue to facilitate the transition for both ladies through March 17th. If you have any questions or concerns, please feel free to contact us.

Mary

And another thing...

It has become necessary to restructure our Tuition and Fees. It has been our policy to reassess every other year. This is the year. The difference will be, it will go into effect in March rather than June or August.

Our Weekday Child Care Committee will meet on Tuesday, February 7th to discuss recommended changes. Whatever is ultimately decided will be published immediately so you can plan accordingly.

Thank you for your understanding.

THANKFUL THURSDAY THANKS...

What a wonderful way to start the day when Thankful Thursday rolls around! You bring so much happiness when you bring those breakfast treats. We appreciate and thank the Danowski, Wright, Melvin, Blackstock, Alonso, and Flexer families for their kindness.

We are VERY thankful!

Coming In March...

Wednesday, March 1- Tuition Due

Friday, March 17- St. Patrick's Day festivities

Thursday, March 23- Thankful Thursday
